Collaborate

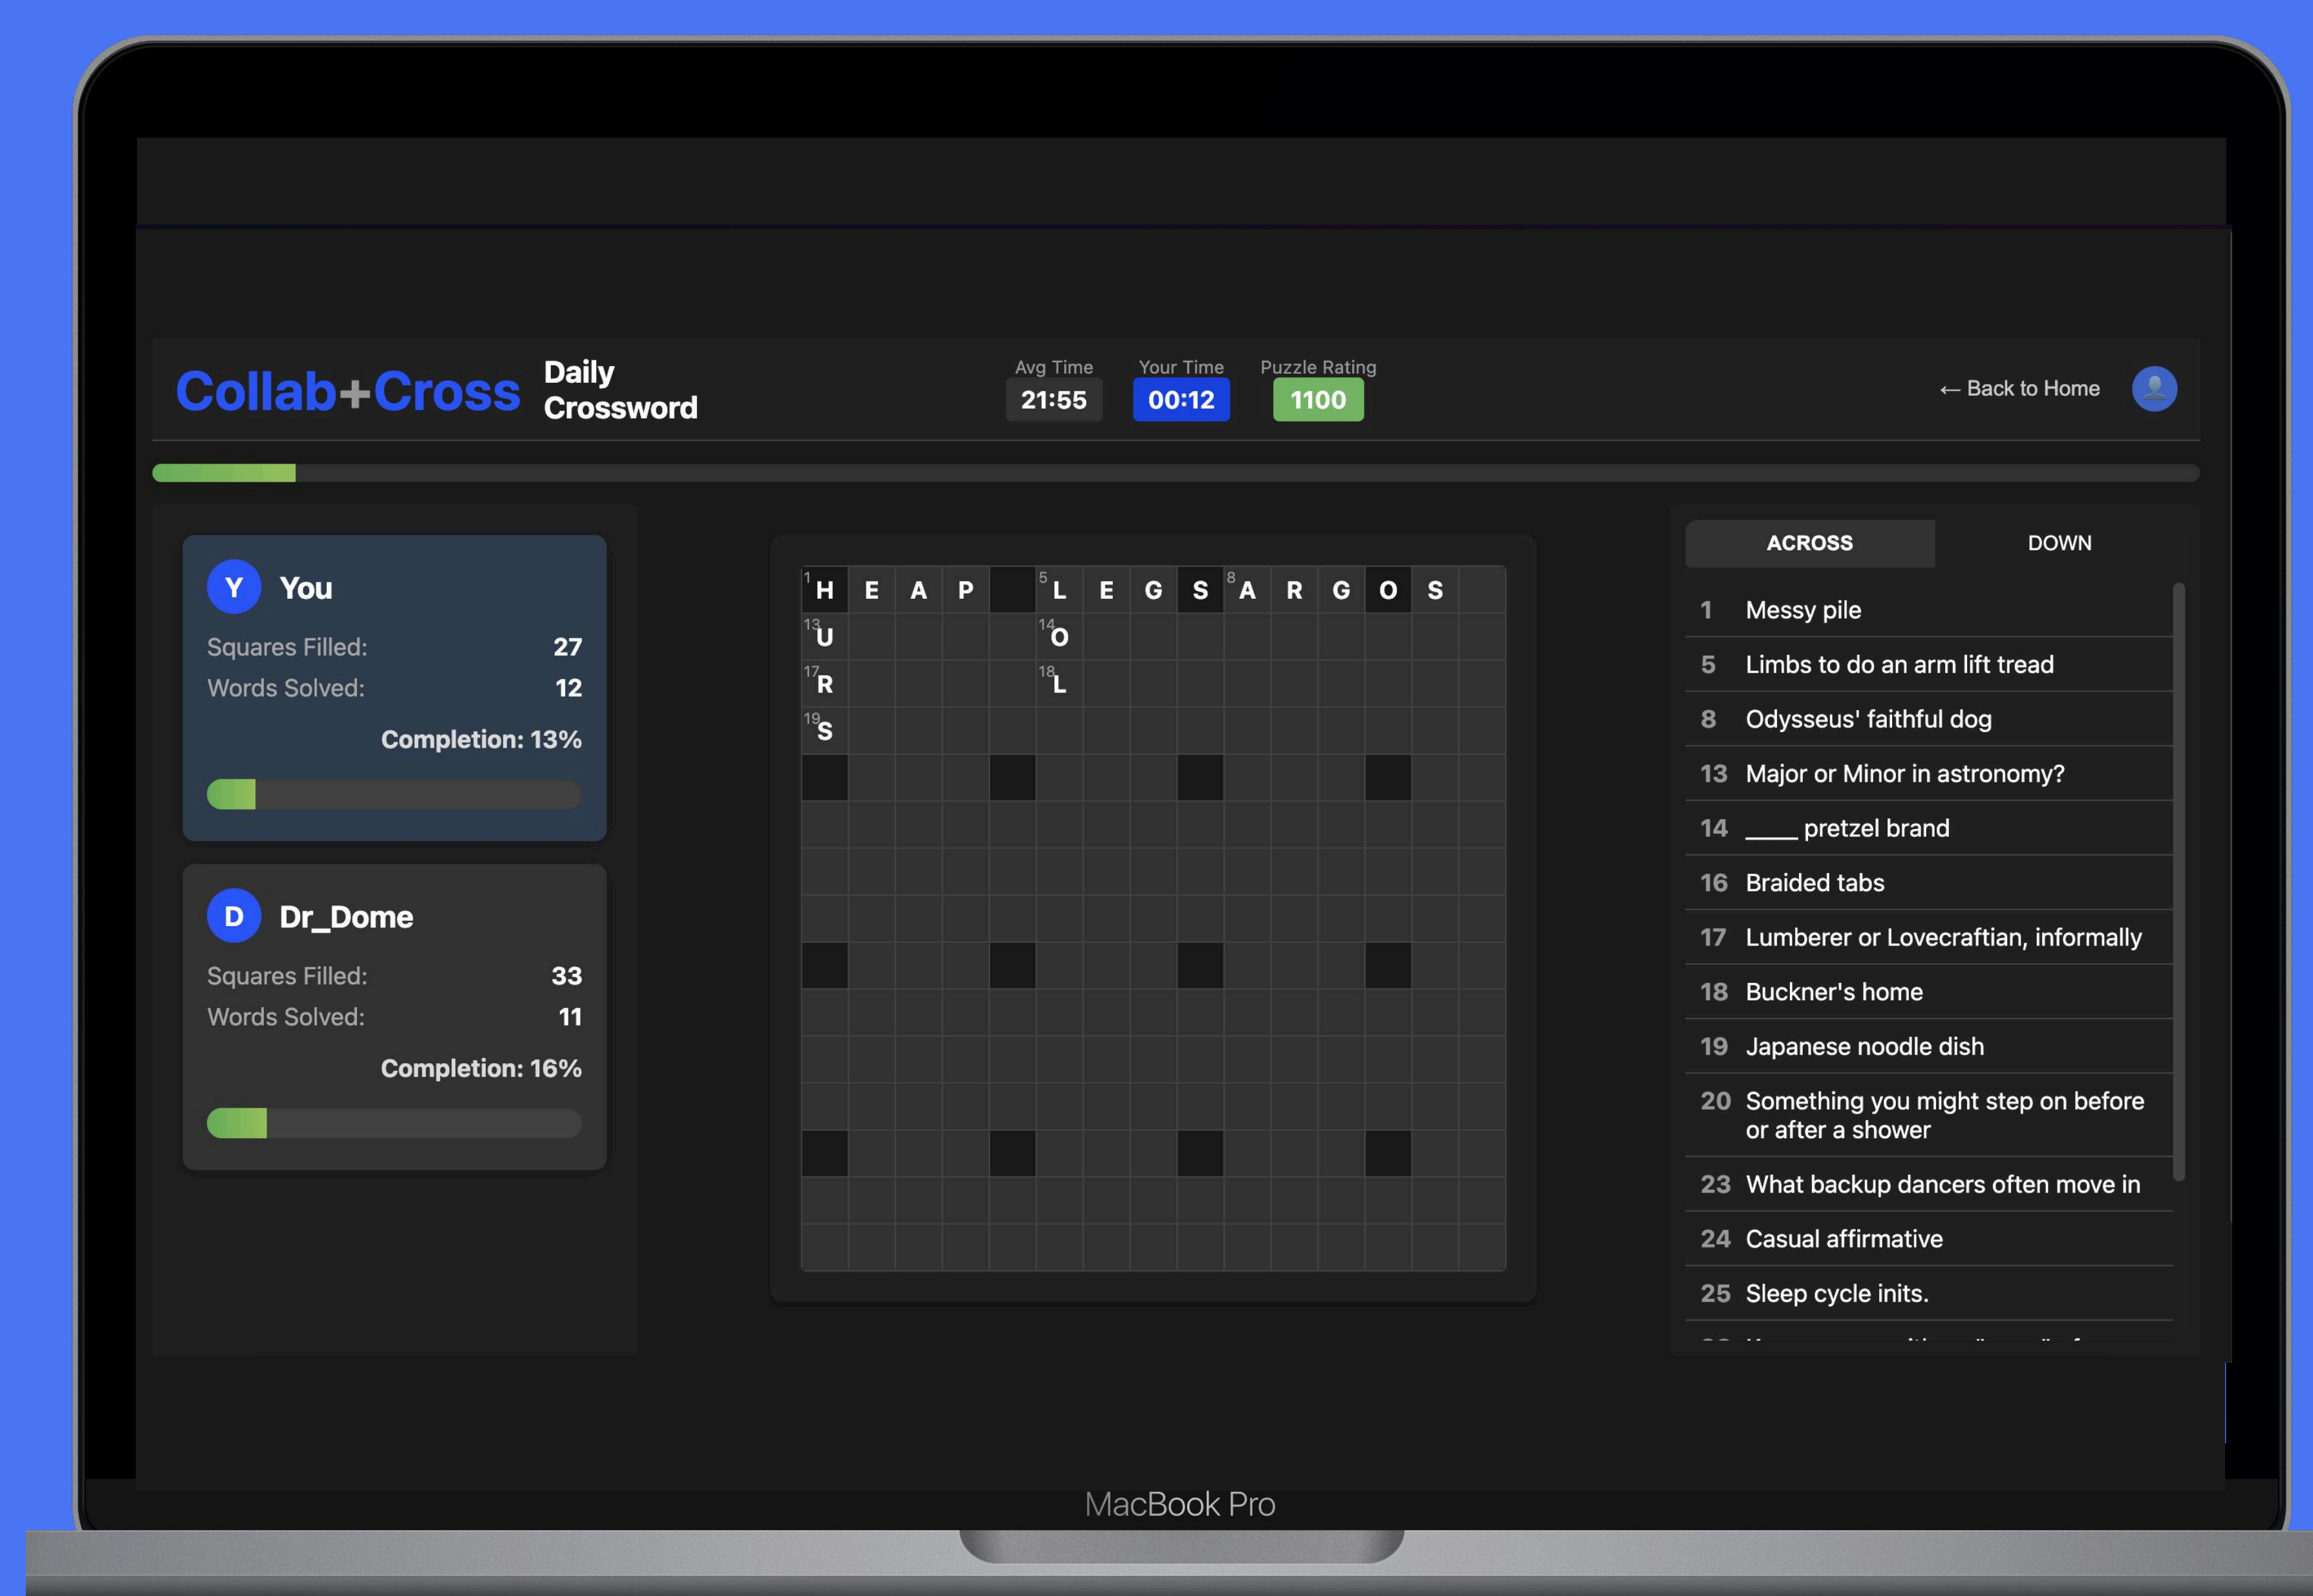

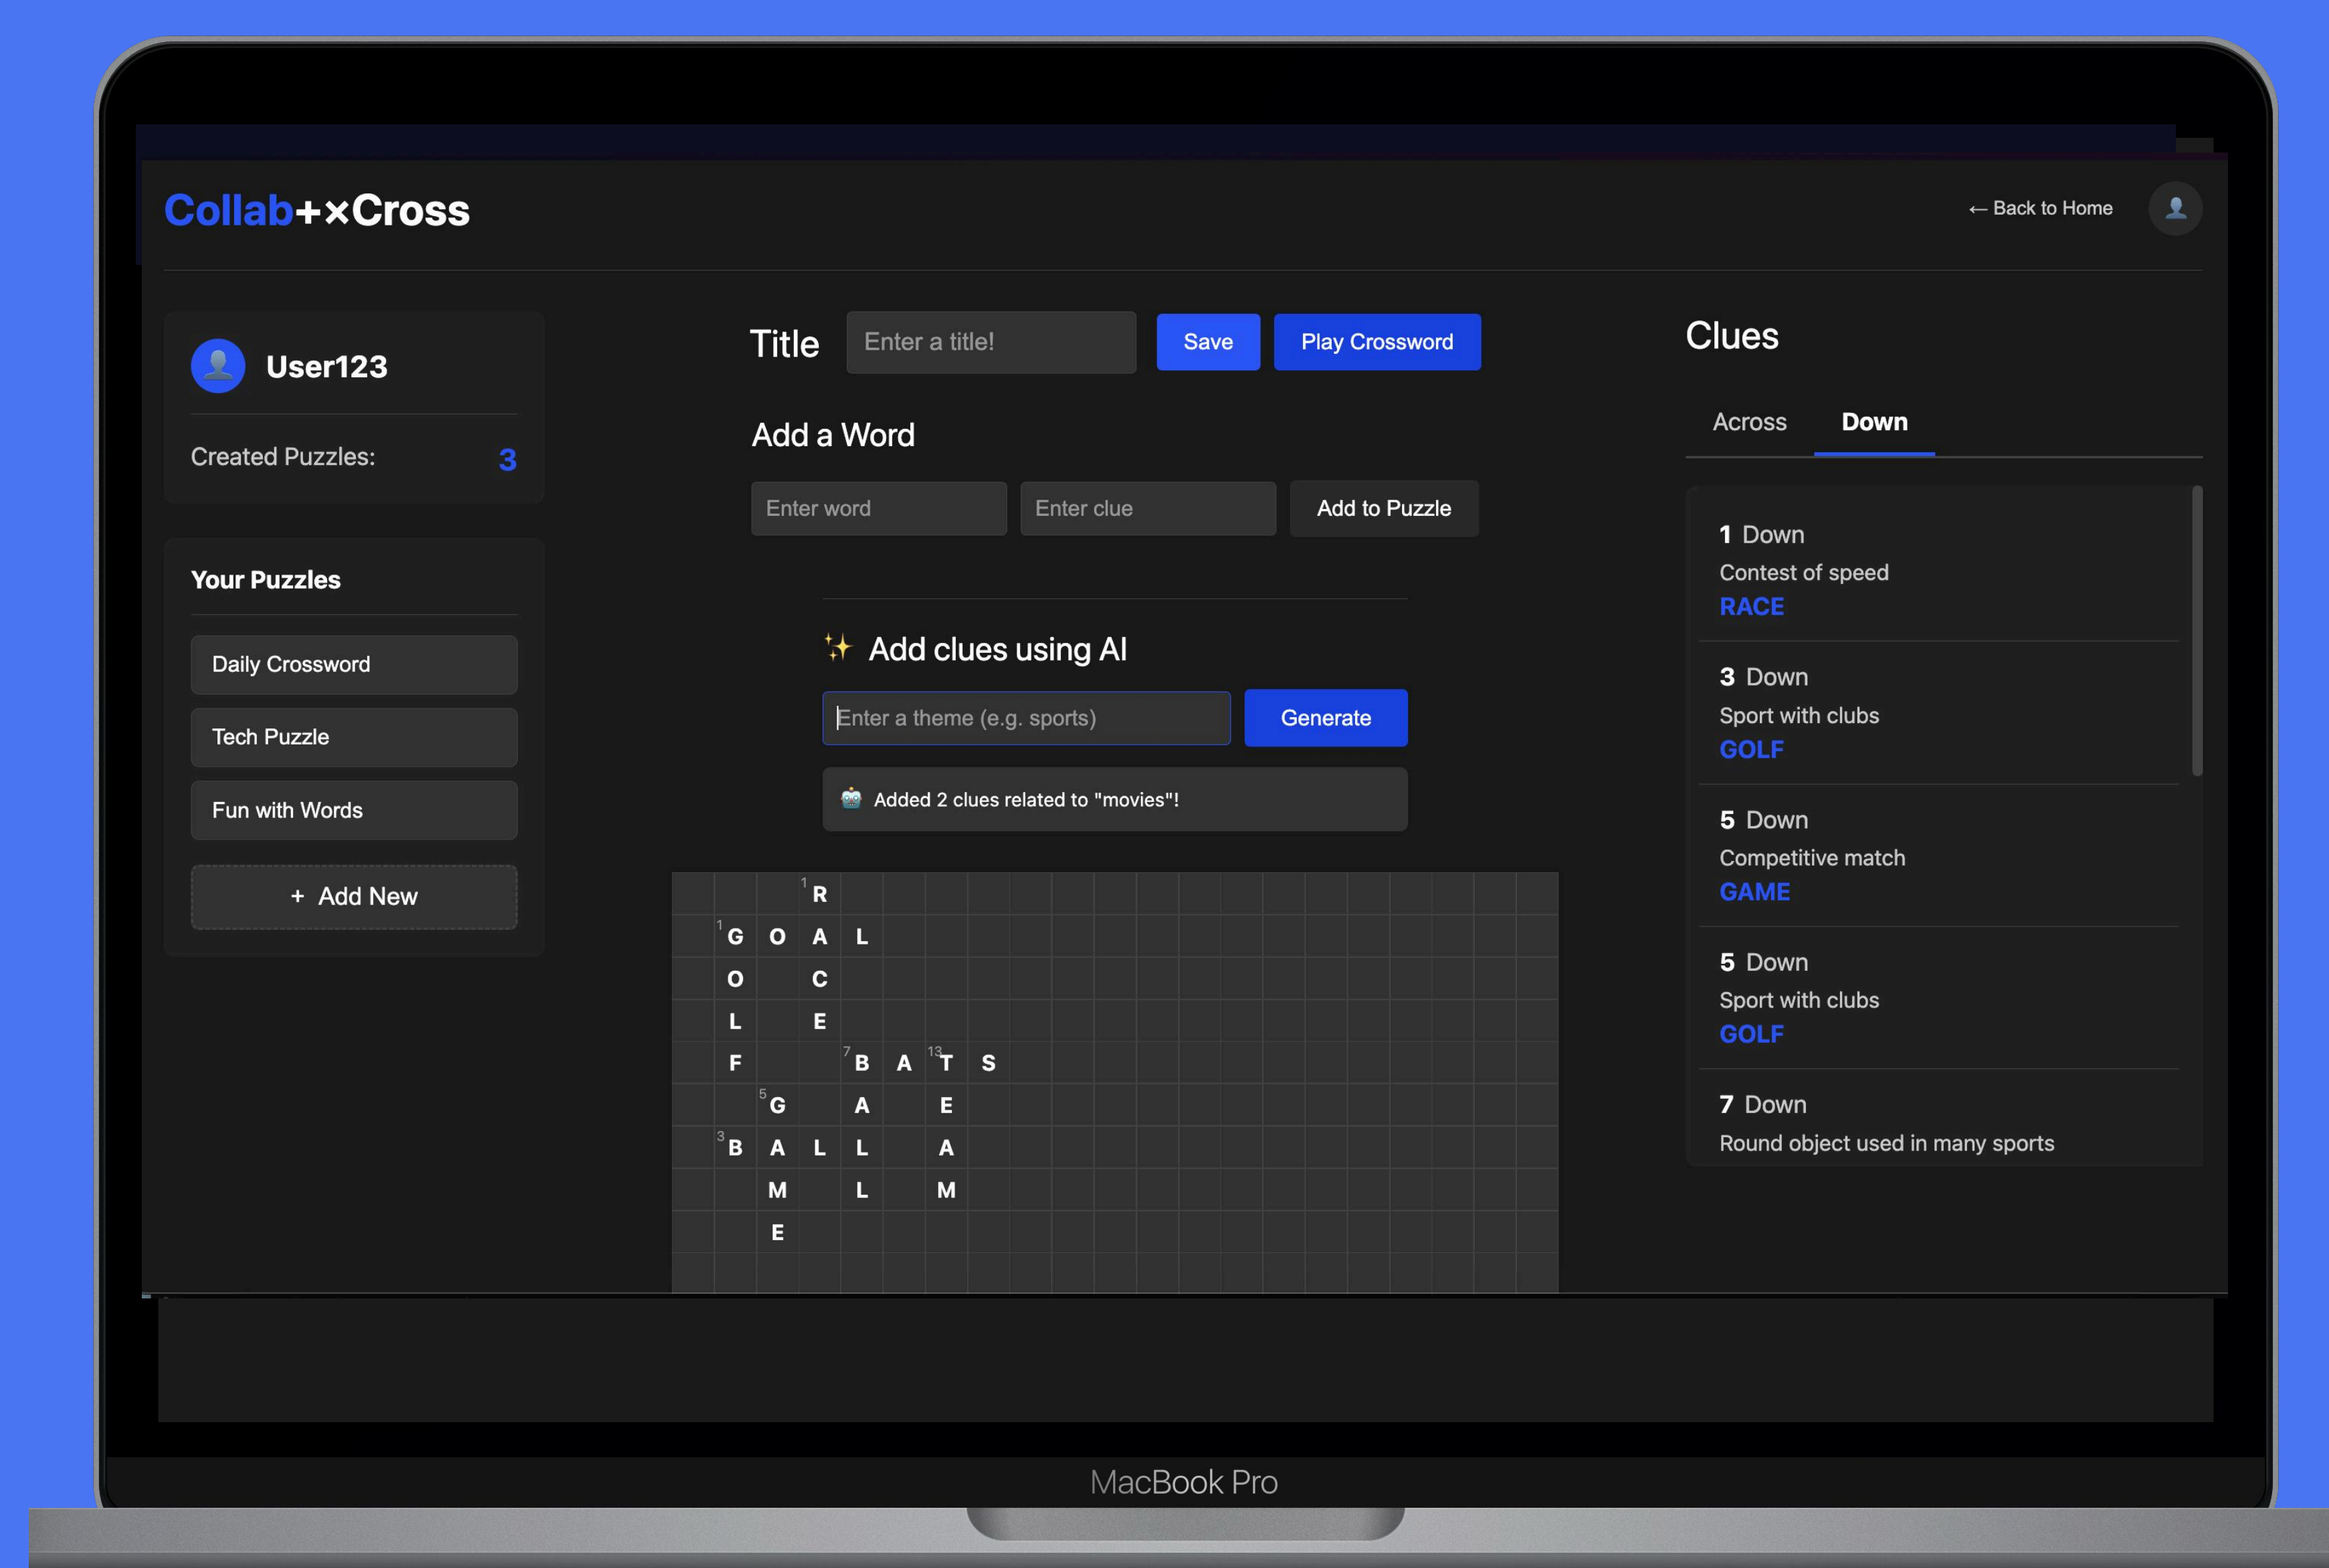

There are no crossword
platforms that allow for creation,
collaboration, or versus all-in-one

Create mode allows for intuitive
puzzle creation for communal or
personal use

Multiplayer allows users to
complete crosswords with or
against each other in real time

In collab/versus mode...

Complete puzzles with friends

Compete in real time

Gain or lose ELO points

In create mode...

Add a clue and word

Generate clues with AI

Play when you're done

Across

1. With CollabCross, now you and friends can play and solve the crossword together
2. Beat other players to increase your rating
3. Create your own puzzle, or play community made puzzles

Down

1. Collaborate on any daily puzzle (NYT, LA, WSJ)
2. Choose between levels of difficulty or time challenges in versus mode
3. All you need are clues for creation, layout is automatically determined by the engine
